INTRODUCTION

Welcome to brasserie Het Tuincafe!

Located at the edge of Bosland and the Sahara nature reserve, right in the heart of Lommel, lies brasserie "Het Tuincafe." A cosy brasserie with just that little bit extra!

The story began 34 years ago when Ice Cream Parlour Bolero opened its doors in Lommel. What started as a modest ice cream parlour later grew into a bustling brasserie. In 2001, the second brasserie, "Het Tuincafe," was born. Now, 24 years later, it has grown into a family business where all the children contribute to providing you with the best possible service!

At brasserie "Het Tuincafe", you can enjoy a delicious lunch or a fresh and culinary dinner. You can also enjoy a tasty coffee, a homemade cocktail, or a good glass of wine on one of our covered and heated terraces! Be sure to try our "Tapas Deluxe!"

The chef does his best to maintain high-quality standards and works with fresh daily products so you can taste the freshness on your plate. New suggestions are also prepared monthly so you can enjoy delicious seasonal local products!

We wish you a very pleasant and culinary visit and hope to welcome you again at "Het Tuincafe" next time.

Thank you from our entire team!
